**Challenge: use the school map to plan the route between lessons.**

## The School Day

Looking at the example timetables, you can see that we have a two week alternating timetable, week A and week B. There are six lessons in a day and each lesson lasts for 50 minutes. You will have two break times; morning and lunch, and one form tutor registration.

08:40am	-	09:00am	Morning Registration
09:00am	-	09:50am	Lesson 1
09:50am	-	10:40am	Lesson 2
10:40am	-	11:00am	Morning Break
11:00am	-	11:50am	Lesson 3
11:50am	-	12:40pm	Lesson 4
12:40pm	-	1:20pm	Lunch Break
1:20pm	-	2:15pm	Lesson 5
2:15pm	-	3:05pm	Lesson 6
3:05pm			School Day Ends

Can you use your timetable and the information on the times of day to answer these quick questions about a typical day at The Willink School?

1. Which lesson would you have Monday, week A, lesson 3?
2. Which room would this lesson be in?
3. Which lesson would you have at 9.00am on Thursday week A?
4. Which lesson would you have at 11.50am on Friday week B?
5. How many lessons are in a day?
6. How long does each lesson last?
7. What time does school start each day?
8. What time does school finish each day?
9. What time will your morning break start each day?
10. How long will your afternoon/lunch break be each day?

Problem solving 1: In which building/block do you think you'll find Maths?

Problem solving 2: In which building/block do you think you'll find Geography?

Problem solving 3: In which building/block do you think you'll find Languages?

Problem solving 4: In which building/block do you think you'll find Design & Technology?
